

WYOMING SEMINARY
founded 1844

May 25, 2018

To whom it may concern:

Champion Builders has completed several projects on both of our campuses for which I have been responsible. It was a pleasure to work with Champion Builders on the projects. Their employees are very professional and diligent. They are effective problem solvers and are sensitive to school schedules and budgets.

We continue to use the services of Champion Builders and I look forward to completing projects with them in the future.

Benjamin Schall
Physical Plant Manager
