Champion Builders, Inc.

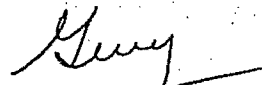

I would like to thank Champion Builders for the great job on the expansion of Gerry's Pizzeria.

The key to the entire operation, being able to keep our business open while adding on a new dining room and kitchen area. Champion was wonderful during the construction.

The success of this project was due to the cooperation and consideration of Champion. Beginning with the recommendation of the funding, architect, bidding process, demolition, and of course the construction itself.

Thank you to everyone involved in the construction process, especially the project manager, the onsite foreman, and the business office. The speed, professionalism, coordination, and ability to listen and fulfill my needs were very much appreciated.

Sincerely,

Gerald Ricci
