

To whom it may concern:

On behalf of Best Cigar Prices, we wish to express our sincere gratitude and appreciation for Champion Builders performance on our recently completed Best Cigar Pub.

Champion constructed a state-of-the-art cigar bar, restaurant, lounge and outdoor patio. From beautiful custom millwork, to the massive air handling system, and the high-tech lighting Champion Builders accepted the challenge and exceeded our expectations. Champion's attention to detail and quality workmanship created an amazing and unique space for our customers to enjoy for years to come.

Our project came with many challenges and I am proud to say that we could not have had a better partner than Champion Builders to overcome those challenges together. Joe Mack put together an outstanding team of sub-contractors and tradesmen, and their teamwork and ingenuity lead to our project's phenomenal success.

Best Cigar Prices wholeheartedly endorses and recommends Champion Builders as the premier construction team in our area.

Sincerely,

Greg Fox
