To Whom It May Concern,

The Wyoming Valley Montessori School has over the past four years utilized Champion Builders, Inc. for a number of projects both on the interior and exterior of our school campus. In every instance they have been extremely professional, timely and sensitive to the needs of our students as far as scheduling the job. The work they have done has exhibited excellent workmanship and an eye for detail. Along with the work they have done, Champion Builders have gone out of their way to offer advice and help if asked, they are truly a good neighbor.

Sincerely,
